GENERAL TERMS

Terms: 2% 10 Net 30 Days, on approved credit.

All prices are "List", f.o.b. factory.

No merchandise will be accepted for return without prior written authorization from the factory.

We will not assume liability for cost of repairs made without our prior written authorization.

Dimensions and weights listed in our literature are approximate.

This price list includes both cartoned and uncartoned prices, designated as "c" and "u" respectively.

We reserve the right to amend this price list, change or discontinue designs or specifications, and/or add or discontinue without prior notice. Discontinued items have not been listed, although we may have a small stock on hand. Please check our monthly stock sheet for other items being discontinued.

ORDERS

All orders subject to approval by the factory. Orders received and accepted by the factory will be acknowledged by mail. In the absence of immediate written corrections, the order will be shipped as acknowledged and the factory will not be responsible for errors.

Cancellations will not be accepted on upholstered pieces or items requiring special work of any kind.

SHIPPING

We do not prepay shipments to dealer's store or warehouse.

We will route shipments unless specific routing instructions accompany the order.

Uncartoned, blanket-wrapped service is available to most points in California and Arizona, and is also available under certain conditions to the rest of the United States. In the absence of specific instructions, we will use our discretion in determining if cartoned or uncartoned service will be used.

Once a shipment is accepted by the carrier, title passes and our responsibility ceases. All claims for visible or concealed damage must be filed with the delivering carrier within five days and must be filed by the consignee.

MATCHING

Due to the fact that we work with natural woods, although we try, it is impossible to guarantee to match pieces.

Veneers in table tops, doors, etc. are matched to the best of our ability, but there may be some variations, particularly in diamond and end-to-end matches.

Dining table tops and leaves are made from matching veneers, and the leaves are individually fitted to their table. The underside of each half of the table top and the underside of each leaf carry a number stamped into the wood. The numbers are so located that when the leaves are installed in the proper position, numbers on adjacent leaves (or top) are close together. The center leaf, if any, has a number in the center.

FABRICS

We do not guarantee upholstery materials against color fastness, shrinkage, wearing qualities, damage, soiling, or any results of cleaning or washing.

Customer's fabric must be shipped PREPAID to the factory and must be clearly marked with customer name and order number.

Yardage for customer's fabric is based on 54" width which does not require matching. Otherwise, additional material must be supplied. Customer's material will be used as it comes off the roll, regardless of pattern or stripe direction, unless we receive instructions to "railroad".

GROUPS

For the purpose of identifying pieces within design groups, a letter prefix has been added to the style number. All pieces within a given design group have the same letter prefix. They are as follows:

A - "Axiom"	G - "Grenadier"
B - "Basis"	H - "Helios"
C - "Corollary"	M - "Maxim"
D - "d'Accord"	U - "Ultima"
